Last year the New Hope group donated funds to support the printing and publication of our Kulpi State School Centenary Book.
After months of hard work by the committee, members of the Centenary Book Committee met with Jim Randell, Executive General Manager, (Mining) and presented a copy of the book as a token of appreciation for New Hope’s support.

BBQ and Licensed Bar from 6pm
What a magnificent day we had for the Kulpi State School Centenary. People came from near and far to celebrate with us. I have heard nothing but praise and appreciation for all of our efforts and I would like to take this opportunity to thank everybody for all of their hard work.

Firstly to the staff of the Kulpi State School a big thanks for all of your help and in particular I would like to thank Rosita Lever for the outstanding leadership that she provided to us all.

To the Kulpi P&C for their continued support and in particular to Coralie and Ken Gordon for their work on the fantastic mosaic.

Our hard working M.C. David James, members of the community and former students for their help and support on the day. Calliope Scouts and the Haden Hall Community for the catering they provided throughout the day. Also to the workers in the BBQ area.

Last but not least to my fellow centenary/book committee members and their families, please accept my personal thanks and appreciation for all of your support, commitment and dedication to the making of one of the best school celebrations that former students and visitors have ever attended.

Thanks to everybody who helped make this day such a success, including those who assisted with memorabilia, displays, organizing, set up and clean up. Congratulations to all.

Centenary Pavers

There were many pavers sold through the stall on our Centenary Day, and we are looking forward to lining the front path to the school with the named pavers of both past and present students, families and staff.

Many people asked if they could take the forms home to complete, so we have extended the sales period for another three weeks, and will finalise orders by Friday the 11th of September.

Please feel welcome to collect a template from the front office.

Prices are as follows:

- Single paver with up to 48 characters: $30
- Double paver (2 adjoining pavers): $60
- Triple paver (3 adjoining pavers): $90
- Hand drawn paver: $40
